If you'd like to connect with us online, please visit our website where you can find a number of different ways to connect with our growing congregation. If online stuff is new to you and you would like help figuring it out, just ask!
*And if you're interested in helping out the church with a tithe or donation, please feel free to use the offering box at the back of the sanctuary, or the online tithing portal on our website. It's **never** required, but we're always thankful for any help we can get!*

About Unfinished Community

Here at Unfinished, we believe that everyone's life is a story that's still being written, and that no matter what chapter you're on who you are and what you've gone through to get here is important, both to God and to us. We are a community that believes that all are welcome, that all are beloved, that all are wanted, and everyone has a place in our community, without exception.
