*Thank you for joining us in worship today! If you have need of prayer, or anything really, please feel free to reach out to Pastor Don and we'll be happy to do whatever we can to help!*

*If you'd like to connect with us online, please visit our website where you can find a number of different ways to connect with our growing congregation. If online stuff is new to you and you would like help figuring it out, just ask! And if you're interested in helping out the church with a tithe or donation, please feel free to use the offering box at the back of the sanctuary, or the online tithing portal on our website. It's **never** required, but we're always thankful for any help we can get!*

## Life in our Unfinished Community

### **Next English Hybrid Worship**

We usually meet for our hybrid English worship services on the first Sunday of every month. Our next worship service will be on **Sunday, March 1, 2026 at 10:30am JST (and it will be BILINGUAL)**. As always, you can attend everything in-person or on YouTube and the church Discord server. Links are all on the website!

### **Worship in Japanese**

Ashiya Christian Church (our partner congregation) holds worship in Japanese on the second and fourth Sunday of every month, with Pastors Don and Akiko doing their best to subtitle in English! The next service is a joint service on **Sunday, February 8<sup>th</sup> at 10:30am JST (8:30pm EST)**.

### **“De-Toxifying Christianity” Bible Study: (2/5 at 10:30am JST/ 2/4 at 8:30pm EST)**

Join us in the book of Acts! Our twice-monthly Bible study is hosted on Discord (and available in person), and we just finished Job so come along as we pile into the NT for a close look at what everyone got up to after Jesus peaced out!

### **BEHOLD! A NEW THING...when we can make it happen, anyways.**

In light of recent events in the world, we have temporarily suspended our “hit” video series and begun a new thing. *Uncertain Times: Surviving the Apocalypse Together* is our new community video series where Courtney and Pastor Don discuss the news of the week, and how to survive – emotionally, mentally, spiritually, and practically – as society collapses around our collective ears.

### **Stewardship Push!**

*In the coming weeks, we'll be talking much more publicly about the financial needs of the church, and what each of us can do to keep this amazing church project going. There'll also be announcements of new classes, counseling opportunities, and other initiatives as well. Stay tuned for more information!*

### *About Unfinished Community*

Here at Unfinished, we believe that everyone’s life is a story that’s still being written, and that no matter what chapter you’re on who you are and what you’ve gone through to get here is important, both to God and to us. We are a community that believes that all are welcome, that all are beloved, that all are wanted, and everyone has a place in our community, without exception.
